

Annual Report August 16, 2020-August 15, 2021

Faculty Grievance Committee

No grievance cases were active during the 2020-2021 academic year. We had two inquiries about how to begin the process.

The committee met on April 30, 2021 to welcome new members, thank retiring members for their committee service, and elect a new chair.

Julia Lopez-Robertson was nominated and elected by unanimous consent to serve as Chair of the Faculty Grievance Committee for the 2021-2022 academic year.

Sincerely,

Andrea L'Hommedieu
